# WHY PICK SHIELD SECURITIES?

## GOVERNMENT APPROVED & CERTIFIED

Pickshield Security Services Pvt. Ltd. is a fully licensed and government-approved organization operating under the PSARA Act, 2005. We strictly adhere to all safety regulations and professional standards set by the M.P. Government.

## HIGHLY TRAINED SECURITY PERSONNEL

Our guards and supervisors undergo specialized training programs to ensure discipline, alertness, and efficiency in every situation – guaranteeing complete protection and peace of mind.

## LIVE TRACKING & SUPERVISION

We use advanced live tracking systems and modern monitoring tools to maintain real-time supervision, ensuring quick response and consistent performance at all sites.

## EXPERIENCE ACROSS SECTORS

From residential complexes to corporate offices, industries, and events – we deliver customized security solutions tailored to every client's unique requirements.

## 24/7 DEDICATED SUPPORT

Our operations team is available round the clock to handle emergencies and client requests promptly, ensuring continuous protection and reliability.

## COMMITMENT TO INTEGRITY

We believe in building long-term partnerships based on honesty, transparency, and trust – values that define our company culture.

## PROFESSIONAL MANAGEMENT TEAM

Our experienced leadership team ensures smooth coordination, high-quality service, and complete client satisfaction through proper supervision and accountability.

## CUSTOMIZED SECURITY SOLUTIONS

Every project is approached with careful planning and risk assessment to create a security strategy that matches the client's exact needs and environment.

## SERVICES OFFERED

### ARMED & UNARMED SECURITY GUARDS

Well-trained and disciplined personnel ensuring 24/7 safety and protection across all sectors.

### CORPORATE & OFFICE SECURITY

Professional guards managing access control, employee safety, and visitor monitoring for offices and business spaces.

### EVENT & VIP PROTECTION

Expert teams providing security coverage for corporate events, exhibitions, and high-profile individuals.

### CAMERA & SURVEILLANCE SOLUTIONS

Installation and maintenance of CCTV systems with 24/7 monitoring for complete security coverage.

#### SURVEILLANCE & MONITORING SERVICES

We provide advanced CCTV surveillance and live monitoring solutions designed to ensure complete situational awareness.

Our trained supervisors use real-time tracking systems to detect potential threats early, prevent incidents, and deliver quick, coordinated responses for maximum safety and control.

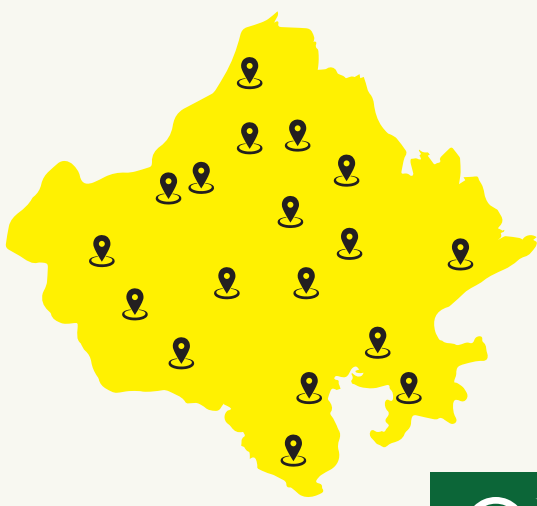

#### INDUSTRIAL & CONSTRUCTION SITE SECURITY

We deploy highly disciplined and alert security staff to protect factories, warehouses, and construction sites. Our team ensures round-the-clock safety of materials, machinery, and valuable assets, preventing theft, vandalism, and unauthorized access through continuous supervision and strict site control.

#### PATROLLING & EMERGENCY RESPONSE

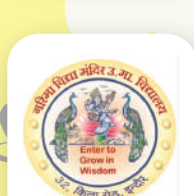

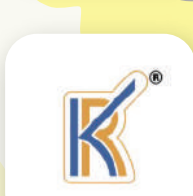

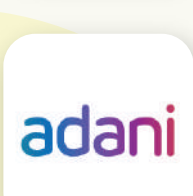

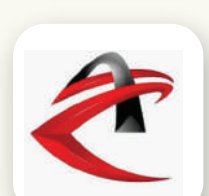

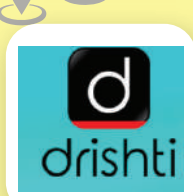

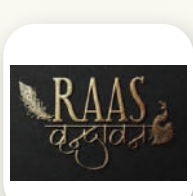

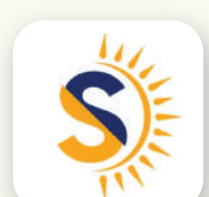

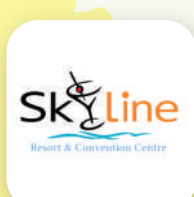

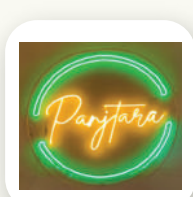

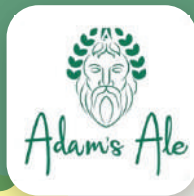

Our mobile security units and supervisors conduct regular area patrols to maintain a strong security presence. With rapid response systems in place, we ensure immediate action during emergencies, minimizing risks and maintaining total safety at all times.

# COMPANY INTRODUCTION

## HAVING A CAMERA VS HAVING US ON CAMERA

### HAVING A CAMERA

- Records only after the incident occurs.
- No real-time alerts or warnings.
- Acts only as a silent witness.

### OUR SERVICE PROMISE

- Always Watching, Always Protecting.
- Smart cameras + real-time human monitoring.
- Peace of mind, anytime, anywhere.

### HAVING US ON CAMERA (OUR SERVICE)

- Live human monitoring 12 or 24 hours as you choose.
- Real-time alerts for suspicious activity.
- Instant response to prevent losses.
